Introducing Kitchenhub

KitchenHub Pte Ltd is a leading foodservice equipment specialist based in Singapore. With many years of experience in the food services industry, we have established ourselves as a trusted provider of quality products and are fast becoming one of the most recognisable suppliers in the industry.

Our success is the result of the hard work put in by our highly motivated and efficient team of professionals who are committed in providing our customers with the best support and after-sales services.

With vast experience in handling a diverse clientele, we are confident in delivering customised solutions that meet each client's objectives effectively and efficiently. Our clients include hotels, prestigious membership clubs, restaurants, cafes, hospitals, schools and quick-service food chains. In addition, we are serving many satisfied customers in the marine and shipping sector.

We carry a wide range of quality foodservice equipment that caters to every customer's requirements and fulfil their operational needs.

We make every effort to exceed our customers' expectations to the highest level with uncompromised quality and service.
